

## UCH Regulations Governing Foreign Student Admission

1. The regulation is provided in accordance with the Provision 5 of the Ministry of Education Regulations Governing Study by Foreign Students in the Republic of China.
2. The aforesaid "foreign students" shall mean students of foreign nationality, neither overseas Chinese nor ROC nationals, who apply to study in Taiwan in accordance with these Regulations. Those who have had dual nationality combining ROC nationality and foreign nationality may not apply for admission to schools pursuant to these Regulations until a period of eight years has passed after which they can have their ROC nationality revoked by the approval of the Ministry of the Interior.
3. Students who are high school graduates are allowed to apply for undergraduate programs, with the exception for those who apply for the undergraduate program at the continuing studies should be of age of 20 or above; students who possess a bachelor degree may apply for the graduate admission for master programs.
4. Applicants shall submit the following documents:
  - Two copies of the Application form for enrollment
  - Two official photocopy of diploma from applicant's highest academic degree attained at a foreign school (Chinese or English version certified by a notary public must be attached) and an official full transcript from the same school (the transcript must have a school stamp or embossed seal of the institution from which the applicant graduated).
  - Two recommendation letters (For undergraduate applicants, another letter should be prepared by an instructor of Chinese language or an evidence letter presented that states the Chinese and English proficiency for the applicant)
  - A copy of Health Certificate (which must include results of blood tests of communicable diseases)
  - A study plan written in Chinese or English
  - Documented evidence of financial support

- Application fee
  - Other documents may be required by certain departments or graduate schools; in this case, the applicant will be informed. The student shall show proof of medical and personal accident insurance or national health insurance at the time of registration. Students with no insurance shall pay the insurance fee upon registration during the application period each year, for the reason that UCH is obliged to enroll students in a group insurance plan
5. The number of foreign students that UCH accepts shall be limited to no more than twenty percent of the number of ROC citizens admitted that year. (Where the preceding paragraph refers to the number of foreign students recruited, the figure shall not include foreign students not registered as degree students.)
  6. Departments or institutes that accept foreign students should stipulate individual admission and evaluation regulations. Foreign student applications submitted to the Office of Academic Affairs for preliminary assessment that pass the initial screening will be passed on to the department and institute level no later than May 20 for the second examination. Within the inscribed number of acceptance, the departments or institutes establish a receipt list according to their admission standard. The Office of Academic Affairs submit the list to the president for issuing admission letters.
  7. Foreign students who have already completed a degree program or have been expelled by a university or college in ROC are not eligible to re-apply for foreign student admission. Violation of this rule would result in immediate cancellation of the applicant's admission or the deprivation of the applicant's recognized status as UCH registered student
